

Announcing Exciting News!

Human Resources is implementing a new online application/applicant tracking system called NEOGOV *Insight*. The new system will allow us to offer increased service and information. Candidates interested in employment opportunities with the Board of Water Works will have the opportunity to utilize this new *Insight* system to submit their application materials including:

Benefits for Applicants:

- √ Online completion and submission of job applications
- √ Application completion at your convenience – if you are completing your application and are called away, you are now able to stop and save your application & complete later
- √ Ability to create and store multiple application versions that you can review and reuse
- √ Automatic Confirmation – receive instant confirmation when your application is submitted
- √ Increased information – Ability to receive updates on your application status
- √ Job Interest Cards – you can register to receive automatic notification of positions that you are interested in as they are posted

Benefits for Hiring Departments:

- √ Online completion and submission of requisitions
- √ Online screening and rating
- √ Expedited access to referral list info
- √ Up-to-the-minute updated contact info for candidates

Computers are available in Human Resources, the Work Link 212 W. 3rd and the Pueblo City-County Library District for your convenience. If you have questions or would like additional information or assistance, call Human Resources at 719.584.0454 or email at

hr@pueblowater.org, or visit our website at www.pueblowater.org.

We're happy to help!
