

IMPORTANT NOTICE REGARDING CITY OF PUEBLO WASTEWATER CHARGE

THIS NOTICE IS BEING PROVIDED AS A REMINDER THAT THE BASE PERIOD FOR DETERMINING YOUR 2017 WASTEWATER CHARGE **HAS BEEN COMPLETED.**

Your 2017 charge will be determined by averaging the water you consumed from the time your water meter was read in December until it was read again in February. Water used during this two month period determines the volume portion of your wastewater charge, effective March, 2017 for the balance of the year. **Water used from the time your meter is read in February until it is read again the following December has NO effect on the amount you pay for wastewater service.** If you irrigated during the two month wastewater billing period, you may apply for an adjustment so that your irrigation does not increase your wastewater bills for the rest of the year. Log on to www.pueblowater.org to apply for an adjustment.

The following rate schedule will be used to calculate your charge for 2017.
Industrial users and other special users may also be subject to excessive strength surcharges.
