

**APPENDIX E**  
**BOARD OF WATER WORKS OF PUEBLO, COLORADO**  
**WATER METER SET FEES**  
**EFFECTIVE: MAY 1, 2017**

I. Domestic, commercial, and industrial water meters

<u>Meter Size</u>	<u>\$ Material</u>	<u>\$ Labor</u>	<u>\$ Equipment</u>	<u>\$ Outside Services</u>	<u>\$ Total</u>
3/4" without bypass	\$446	\$99	\$70	\$0	\$615
1" without bypass	509	99	70	0	\$678
1½" without bypass	1,067	186	120	0	\$1,373
2" without bypass	1,265	186	120	0	\$1,571
1½" with 1¼" bypass	1,359	272	210	0	\$1,841
2" with 1¼" bypass	1,570	272	210	0	\$2,052
3" comp on 4" with 4" bypass	5,514	2,202	930	2,977	\$11,623
4" comp with 4" bypass	6,356	2,202	930	2,977	\$12,465
4" comp on 6" with 4" bypass	6,811	2,202	930	2,977	\$12,920
6" comp with 6" bypass	8,407	2,202	930	2,977	\$14,516
6" comp on 8" with 6" bypass	9,273	2,202	930	2,977	\$15,382
6" turbine with 6" bypass	8,385	2,202	930	2,977	\$14,494
6" turbine on 8" with 6" bypass	9,077	2,202	930	2,977	\$15,186
8" turbine with 8" bypass	10,756	2,202	930	2,977	\$16,865

CREDIT ALLOWABLE FOR EXISTING WATER METER

<u>Meter Size</u>	<u>\$ Price Credit</u>
3/4" Disc	\$77
1" Disc	103
1½" Disc	259
2" Disc	341
3" Compound	1,531
4" Compound	2,160
6" Compound	3,357
8" Compound	4,500

**Any water meter prices not shown above must be obtained through Board Service Department.**

II. Special irrigation application for turbine water meters

<u>Meter Size</u>	<u>\$ Material</u>	<u>\$ Labor</u>	<u>\$ Equipment</u>	<u>\$ Outside Services</u>	<u>\$ Total</u>
2" Turbine	\$1,603	\$186	\$120	\$0	\$1,909
3" Turbine on 4" line	4,053	2,279	975	2,762	\$10,069
4" Turbine	4,344	2,279	975	2,762	\$10,360
6" Turbine	7,141	2,279	975	2,762	\$13,157

CREDIT ALLOWABLE FOR EXISTING WATER METER

<u>Meter Size</u>	<u>\$ Price Credit</u>
2" Turbine with Integral Strainer	635
3" Turbine with Integral Strainer	690
4" Turbine with Integral Strainer	1,188
6" Turbine with Integral Strainer	2,713
8" Turbine with Integral Strainer	3,626

**Any water meter prices not shown above must be obtained through Board Service Department.**

III. Notes:

- A. The above pricing does not include City of Pueblo, Pueblo County, and State of Colorado sales tax.
- B. Cost of meter to owner/applicant and installation requirements are fully explained in *Board Rules and Regulations*.
- C. Board Meter Installation Specifications include complete information regarding material furnished by the Board and other requirements.
- D. The owner/applicant must provide all necessary excavation, backfill, resurfacing, barricading/traffic control, and permits. Board will provide excavation only for meter vaults on 3-inch and larger meters.
- E. Where two or more meters serve one property and are physically connected, each service line must have a backflow prevention device installed at the expense of the owner/applicant. In most installations, inter-connection of two or more meters will not be allowed.
- F. When a building is three or more stories high and is either a commercial or multi-residential property, a check valve is required on the customer side of the meter. A check valve is also required if there is a booster pump on the customer side of the meter. All check valves will be installed at the expense of the owner/applicant.
- G. Any backflow prevention devices required must be installed and maintained by the owner/applicant at his expense.
- H. Any questions regarding which cost pertains to a particular property or situation should be directed to the Board Service Department, 543-2217.
- I. Undersizing of meter relative to service line is limited to one size classification, i.e., 3-inch on a 4-inch, 6-inch on an 8-inch. Further, any demands which are found to exceed AWWA recommended capacity of a particular size of meter will require the owner/applicant to pay all costs associated with installing the appropriate size meter.
